

Interest in Planning Commission:

Hi Antonina,

Here's my information:

I'm a native Delawarean. I grew up in Dover, DE and graduated from Dover High School. I attended the University of Delaware and received my BS in Accounting and an MBA. I also got several accounting/finance related certifications – Certified Public Accountant, Certified Management Accountant and Certified in Financial Management. After college, I worked in various Accounting and Finance positions at AstraZeneca, MBNA/Bank of America, CIGNA and Chase. Last year, I went to a nonprofit organization, Jewish Family Services of Delaware, as their Director of Finance because I was looking for a better work/life balance.

I've lived in Townsend for 15 years now, and I have a son who is a Sophomore at MOT Charter High School.

I haven't really had the time to be involved in the community during my previous jobs. When I saw the email about the planning committee and inquired about the time commitment, I thought it would be a good way to start getting involved with the community.

Thanks,

Lisa Brooks
